

**REQUEST FOR BIDS (RFB)
FOR
MCNAMARA TERMINAL TICKETING FAMILY
RESTROOMS**

**SOLICITATION No. 26-04173
ADDENDUM No. 4**

ISSUE DATE: 10/5/26

NEW DEADLINE: 10/9/26 AT 2:00 PM EST

This addendum is being issued to answer questions submitted by the Bid deadline.

Notes: Generally, text deleted in the RFB by this addendum is indicated as ~~strikethrough~~ text.
Generally, text added or changed by this addendum is indicated as ***bold italics*** text.

I. ANSWERS TO SUBMITTED QUESTIONS:

1. it has come to my attention that there isn't a cut/elevation that shows the desired finish on the highlighted wall. Can you please tell me how the WCAA would like that wall finished?

Answer: The wall finish is indicated in the drawings. (Detail #10, A0.007).

2. Lift access and usage is going to be very critical to this project; are we able to store the lift in the baggage claim area overnight or will it have to be removed and stored elsewhere on site for the duration of the project? Also, where is the nearest lift entrance located? It appears a lift could fit through the doors if they are removed, but I am assuming those would have to be put back on every night after work is completed. Will the baggage claim area have to be restored to working order at the end of every shift? A complete pickup and breakdown, including barricading and signage, of the area before passengers arrive.

Answer: Lifts may be stored within the baggage claim area overnight for the duration of the work. Lifts may be delivered to the baggage claim area through the main entrance doors. The final lift storage location, barricade layout, signage, and required end-of-shift restoration/housekeeping procedures shall be coordinated with and approved by the Airport Authority following award.

THIS ADDENDUM MUST BE ACKNOWLEDGED ON THE BID FORM IN THE RFB
